MUSCULAR SORENESS.

As the result of over-exertion and exposure to heat and cold, or from whatever cause, may be freated suc-comfully by the timely application of St. Jacob's Oil. A thorough rubbing is necessary. The Oil should be applied vigorously, for at least twenty minutes, two or three times daily, when all pais, soreness, atiffness will be re-moved in twenty-four hours. It will also strengthen and harden the muscles. Football players, gymnasts, and all athletes will find St. Jacob's Oil superior to any other remedy for out-ward application, for the reason that its action is more rapid and its effect permanent. Thousands of people all over the world use and recommend St. Jacob's Oil for muscular soreness. A twenty-five cent bottle is quite sumcient to prove its efficacy. In cases where muscular soreness is compil-cated with any disease which requires alterative, Vogeler's Curative Compound should be taken. This is prepared by the proprietors of St. Ja-oob's Oil, Baltimore, Md., who will send a sample free on application.

New York Tribune: It is reported that the waits has lost its hold on fashion's votaries, and that the sprightly two-step is its successor. The graceful gavotte is steadily growing in favor, and bids fair to have resumed its olden popularity by the time the season has reached its height. There are several variations of the gavotte that are to be introduced during the coming winter. The stately old min-uet, too, is to be rovived. There is a marked tendency in the fashion of to-day toward the dress of the colonial period, when the "grave and gailant gentlemen," and "stately ladies with fair faces" danced the minuet.

Another Man Altogether. Valley, Mo., Feb. 24th.—There is a man in this town who has undergone most remarkable physical change in the last few months.

His name is Perry Nelson and those who knew him but a short time ago are amazed at his present condition. He had not been feeling well for some time and suspecting that the trouble came from his kidneys, which he knew were not any too strong, he determined to try a kidney medicine. Dodd's Kidney Pills were highly

recommended and Mr. Nelson began a treatment of them. He was rewarded by a complete restoration to vigorous good health. He says: "I used six boxes of Dodd's Kidney Pills and they have helped me a great deal. I feel like another man and can

Chinese Feeling About the War. Down here in the south the people are angry that they should be called upon to pay anything toward the big bill that has to be paid before the Chinese question is finally settled. A wellto-do Chinese gentleman said to me yesterday: "We had nothing to do with this outbreak. We cherished no animosity either against Christianity or the foreigner. Nor did the emperor. This foolhardy bravado was attempted by a handful of fools in the north of China, whom the officials did not attempt to suppress; therefore, these fellows should be made to pay the bill. and not we." Poor fellow! He forgot that China is one, at least as far as paying goes. There is, therefore, a great deal of grumbling and entagonism among the people against this heavy tax.-North China Herald
